Pune - 411028

Letter of Recommendation

Ph: +91 020 67279011
www.amanoraschool.edu.in

As the Director of Amanora School, I have interacted with several students and I take immense pride in stating that Priyanshu's personality is a commendable blend of sincerity, honesty and accountability. Priyanshu Singh, was a grade X student at Amanora School, Pune, during the academic year 2018-19.

During his entire tenure at Amanora School since the year 2010, he has been a keen learner and a consistent performer resulting in scoring 69.8% in class X. He has been one of the notable ones who was well known for his maturity and confidence. Priyanshu is an extremely versatile and talented student. He was an active participant in all class assemblies and discussions. He was also recognized by the school for completing the 15 Book Reading Campaign in two successive academic sessions (2013-14 and 2014-15). He qualified for the city finals in the Think and Learn Competition organized by Times of India. He cleared the ASSET examination with 96.5 percentile in Science. He has participated in Math and Science Olympiads while in Middle School.

Priyanshu displays a healthy balance of physical and mental abilities. He is an avid sports person and passionate about Basketball. He showcases leadership, courage, determination and excellent team work on the court. This has led him to excel in the co-scholastic domains, as shared below:

- Priyanshu has represented Amanora School in over 20 Interschool Competitions including Basketball, Athletics and Rope skipping.
- He captained the School Basketball team through grades VIII to X.
- He bagged third position in the District-level Rope Skipping Competition in 2015.
- He was the Captain of the School Marching Band from grades VI to IX.
- He has participated in Athletic events in Annual Sports Day and won several Gold and Silver medals in individual and team events.
- He also qualified for the semi-finals at the District-level Chess Competition
- He was elected to the School Student Cabinet as the Topaz House Vice-captain in 2018

Priyanshu has been an all-rounder in the school, in both curricular and co-curricular activities. He is of sound integrity and value system. His awareness towards his social responsibilities has helped him to partake in various social events at school. He was recognized for his sincere efforts during the Tree Planting initiative, Save Water Campaign and Clean Pune drive in 2017 and 2018 respectively. He is a good Tabla player and has won lauded by his mentors, friends and peers for his performance as a drummer for the school performance.

He is an amiable and enthusiastic student with a pleasant disposition. His passion and energy are highly commendable and Amanora School took pride in nurturing such a youthful and versatile student. The school along with me wishes Priyanshu all the best in his future endeavors.

I am pleased to recommend Priyanshu for the study course at your prestigious University. I will assure you that his positive approach and desire to excel will stand him in good stead in his pursuit for higher studies.

Warm regards

For Amanora School

Ms. Meera Nair

Director
